

## WINTER JUNIOR GOLF STARTS NOV. 7TH!

### FIND THE PERFECT WINTER PROGRAM FOR YOUR JUNIOR GOLFER

#### Team 180 Winter "Players Club"

\*Ages 12-18\*

No holds barred approach for comprehensive game transformation.

The "Players Club" program will use the, new for 2017, Waveland Park studio to create a wintertime oasis. Fueled by a comradery between our most motivated players, we expect a work ethic to amass impressive results. The "Players Club" stands by a code to not let the winter season become a time of physical and mental atrophy, but rather a time of growth and excitement. The DriveGolf coaching staff will spare nothing in making sure this group of players flourishes by serving them with a rigorous, systematic and holistic approach to TOTAL game improvement.

#### **PROGRAM HIGHLIGHTS:**

- (2) 1.5 Hr group training sessions @ Waveland Park. Total: 18 weeks; 54 hours of training

#### DriveGolf's MOST DRIVEN

\*Ages 10- 14\*

The quest for MASTERY

The MOST DRIVEN program is a continuation of 2016's DriveGolf's journey. The design features of this program include expertly crafted learning environments that foster implicit expertise as well as explicit "hands on coaching" in the affordances of winter's controlled environment.

Weekly sessions of "open practice" at the Waveland Park studio will allow students to stay razor sharp on swing/ stroke changes.

#### **PROGRAM HIGHLIGHTS:**

- (2) 1.5 Hr group training sessions @ Waveland Park. Total 18 weeks; 54 hours of training
- 1 hour of additional coach supported practice per week
- Specialized Drive Golf Winter Curriculum

#### DriveGolf's Winter After School Program

\*Ages 8- 13\*

Where "talent" is born

DriveGolf's After School Golf program is the winter version of the popular spring/fall DriveGolf programs. Students will immediately recognize the quick pace and excitement of moving between various skill/ game stations.

The key distinction of the A.S.G program is that it primarily designed to create learning environments that highlight the social, explorative, and collaborative features of golf practice.
