

DEERPATH

GOLF COURSE

RENOVATION PROJECT PHASE THREE

The Future is Now!

Join the effort in revitalizing, improving
and preserving the Deerpath Golf Course
for future generations!

REVITALIZE • IMPROVE • PRESERVE

THE PROJECT

Phase Two of the Deerpath Golf Course Renovation Project is complete!

The City of Lake Forest committed \$1.5 million and along with private donations, the improvements to date include:

- Extensive club house renovations including the bar and locker rooms
- Expanded terrace and landscaping
- Comfort Station between holes 6 & 12
- 45 new lithium golf carts
- Continuous, paved cart path
- Tree removal, drainage, and other work on the course itself

In phase three, this project hopes to raise a total \$2.225 million in tax deductible private donations which will be used for the following:

PHASE THREE IMPROVEMENTS:

- Short Game Area/
Putting Green \$455,000
- Driving Range & Cart Barn
Improvements \$150,000

TRANSFORMATIVE ELEMENTS:

- Golf Training Center \$1,100,000

FUNDS FOR THE FUTURE:

- Debt Retirement \$520,000

We are heartened by the excitement in the community with the improvements already undertaken and we believe phase three improvements will make Deerpath Golf Course the best practice facility on the North Shore!

The staff at DPGC is strong and the junior program is absolutely thriving. Your participation in this project is deeply appreciated!

WHAT'S NEXT

GROWING THE GAME OF GOLF

THE LAWN

A SHORT GAME CONCEPT AT DEERPATH GOLF COURSE

THE IDEA

Create a world-class putting and chipping experience that provides for both fun and serious practice options for users of Deerpath Golf Course. Inspired by the public-access Ladies' Putting Course in St. Andrews, Scotland, "putting lawns" are the popular new craze at many resorts and private clubs across the United States.

THE LAWN AT DEERPATH would be the first of its kind at a public venue in the Chicago-land area. The 30,000 square foot bentgrass green would cater to all ages and abilities, offering putting and short-game chipping practice for the serious golfer while providing a fun "after-golf" putting experience for kids, families and group outings.

THE PURPOSE

SERVE THE COMMUNITY:

- Provide a fun facility for growing the Discover Golf Junior Program, teaching youth and beginners the FUNdamentals of golf in an unintimidating environment
- Enhance and attract adult and youth community programs, filling the "funnel" for future Deerpath patrons
- Extend opportunities for use by outings or other group gatherings for post-golf fun or as an alternative to the traditional 18-hole play day
- Provide possible low-impact LED lighting to allow evening play and further extend growth opportunities
- Create a fun, family atmosphere that appeals to all golfer types including the serious season pass holder and the beginner or occasional recreational player
- Complement the future indoor learning facility

WHAT'S NEXT

GROWING THE GAME OF GOLF

THE DETAILS

A 30,000 SQUARE FOOT BENTGRASS GREEN, INCLUDING:

- A variety of hills, dales and swales that can be laid out as an 18-hole putting course with fun twists and turns
- A 15-ft wide fairway/collar surrounding all sides for use in chipping practice from a variety of uphill, downhill and side hill lies
- Two central bunkers aimed strategically to provide safe sand practice options
- A synthetic tee line for group lessons and use during inclement weather
- A three-hole junior routing played from synthetic tees that can be played both forward and backward to a variety of pin locations

The Lawn at Deerpath Golf Course

DRIVING RANGE & CART BARN IMPROVEMENTS

- The driving range will feature additional hitting bays, and the existing cart barn will be updated
